ESTABLISH 10 CHURCH-PLANTING SCHOOLS IN 10 REGIONS

South America

North India

South India

South Pacific

Thailand

Middle East

Malaysia

United Kingdom

Eastern Europe

Australia

This represents over 2 billion people. That's **a quarter of the world population** within reach of an INC church.

Our vision is for more people to have access to an INC church. We already have over 1,750 churches, and we have a mission to see that number increase by at least 70%.

10

church planting schools

25

new churches each year from each school

25

percent of the world's population reached

3000

churches by 2031

Our goal is to find churches
and individuals who are
passionate about the call of
Acts 1:8.

5 year
commitment

from

500
churches
and/or people

of

\$1000 AUD
per year

totaling to

\$500,000
per annum

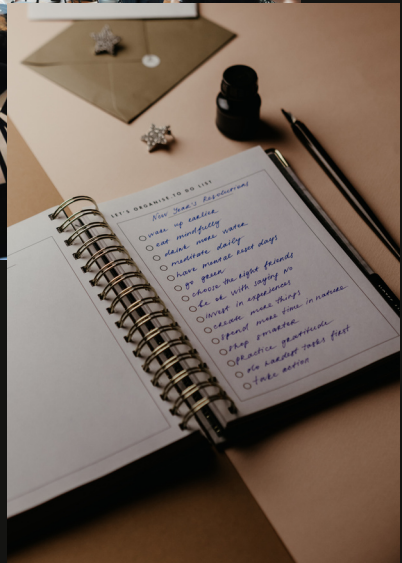

ACCOUNTABILITY

Partnership funding will be provided through an application process, and each region will provide its own level of support for church planting.

Each regional leader will frequently check-in with the church plants in the area to assess health and sustainability.

Reports and testimonies from each region will be sent annually to INC leadership.

THAILAND

Ps Craig Mellican

UPDATE:
On 11 Nov, 25 people
signed up to attend
the Thailand church
planting interest
weekend!

Launch at INC
international
conference
July 4-7th 2026

INC is a truly global movement on every continent of the globe (except Antarctica). We believe that this is the time for enlargement and for breakthrough. 10 church planting schools across the world, each producing 25 church planters per year, means another 1,250 churches in the next five years.

God has put a great vision in front of us. Every great vision requires sacrifice, commitment, and faithfulness.

Thank you to every church, every pastor, every believer, who has prayed, who has given, who has gone, who has helped.

We have set up a dedicated account to receive funds through INC Invest for this amazing vision.
